

# PRATHAM AGRAWAL

Indore, India

☎ +91-8269067007 ✉ [prathamagrawal1205@gmail.com](mailto:prathamagrawal1205@gmail.com)  [prathamagrawal](#)  [prathamagrawal](#)  [fearsomejockey](#)

## EDUCATION

Vellore Institute of Technology, Vellore

09 2020 – 06 2024

Computer Science with specialization in Data Science - **CGPA - 9.33**

Vellore, India

## COURSEWORK / SKILLS

- Machine Learning
- Data Science
- Data Analysis
- Data Visualization
- Data Structures & Algorithms
- Artificial Intelligence
- OOPS Concept
- Operating System

## INTERNSHIP

Klatch Technologies

05 2022 – 08 2022

Web Research Intern in AI Data Annotation Team

Remote, India

- Annotating the data available that is further used and processed for Machine Learning projects
- Collecting, categorization, labelling, transcribing and providing sentiment analysis for AI application datasets

## TECHNICAL SKILLS

**Languages:** Python, Java, C/C++, HTML, CSS, R, NodeJS, Npm, ReactJs, SQL, JavaScript

**Framework Databases:** Flask, PyTorch, MySQL, Git, GitHub

## PROJECTS

**Olympics Dataset 2020 Tokyo Dataset**  | Python, R, Tableau, Dash

04 2022

- Contributed a dataset comprising 2.7 lakh rows information of about Athletes who participated in the Olympics.
- Combined different datasets to make one Dataset consisting of 124 years of summer Olympics data

**Sportlight**  | Python, JavaScript, CSS

04 2022

- Provides an solution for highlights extraction for sport games using Machine learning and APIs.
- Worked on the highlight extraction from the text received from API and processing using NLTK model.

**HBeatR**  | Python, Jupyter, Tensorflow, Keras

11 2021

- Shows the possibility of a person having a Cardiac Disease in the near future using some parameters of basic health.
- Provides a classification of a person as Fit or Unfit on the basis of Heart Points (generated by Google Fit).

## EXTRACURRICULAR

The Institution of Engineering and Technology 

01 2022 – 01 2023

Chairperson

Vellore, India

- Analysed and monitored the progress of both technical and management team members towards achieving outlined objectives.
- Led a team of 100+ people which help them develop technical as well as other skills.

LittleLove 

05 2018 – Present

Human Resources Director

Indore, India

- Worked with 80+ people to provide education to underprivileged children, and animals basic amenities.
- Hosted Conference which yielded 25 percent profit.

## PUBLICATION

- Artificial Intelligence at the Healthcare; The Past, present and the Future. 2020 
- Predicting Cardiovascular Ailments using Neural networks and IoT
